PRAVEEN KUMAR

SUMMARY

I want to work in an environment where I can learn and improve my problem-solving skills. which helps me to grow and excel in whatever I do.

TECHNICAL SKILLS

Programing languages:

Cpp , Java

Web Technologies:

HTML5, CSS, Javascript , React

MongoDB , Node js

Tools and Technolgy :

MS Office, VS Code,

Git and Github

CERTIFICATIONS

Analysis of Algorithm

(Coursera) Jan'24

Intoduction to Gen AI

(Deep learning.io) Dec'23

COURSES

- Data Structure and algorithm
- Operating System
- Database Mangement System
- Object oriented programming
- Computer network

EXTRA CURRICULAR ACTIVITES

Working as a campus ambassador for

coincident.ai Mar'23

PROJECTS:

Disney-Plus 2.0 :

Jan 2023 - March 2023

Tech: Firebase, ReactJS, JavaScript, HTML, CSS

- > Developed a web application which showcase cartoon movies collection the with recommendation.
- > Implemented responsive design and integrated Firebase to seamlessly store data, handle Google authentication, and provide real-time updates to the application.

• Path-Finding-Visualizer :

Oct'23

Tech: HTML, CSS, JavaScript, ReactJs

- >Developed web application showcasing working visualization. This finds the minimum path by iterating over different points and finally showing the minimum path between the source and destination.
- >Implemented algorithms are Dijkstra's algorithm, Breadth First Search (BFS), and Depth First Search (DFS). Implement boundary walls/obstacle creation feature using the cursor.
- >Implemented algorithms are used in finding the shortest path between metro stations, Network Routing Protocols(BGP)

• Chat and Video Call

Nov 2022 - April 2023

Tech: Socket.io ,Express Js ,ReactJS ,JavaScript, HTML, CSS

- Developed a simplified online meeting platform to create chat rooms , join calls and discussions on instant.
- Implemented features such as note-taking during conversations and collaborative work on a virtual whiteboard and easily download for later use.
- Chat is stored as group chat rooms are active before, during, or after the call.

EDUCATION

- B.Tech. in Computer Science Aug '22 – 26
Lovely Professional University | Phagwara, IN
CGPA: 8.32
- Higher Secondary Feb'23 Jul '19 - Jun '21
M.R.J.D college | Begusarai ,Bihar

Marks: 85%
